Tender Package No.: GR-1

Document No.: 27.29.0000.107.07.001.23-50 Issue Date: 16/03/2023

SI	Reference	Paragraph	Queries	NESCO's Response
1	Volume 1, Section1.0, Page 1-1020.1 20.1 Only one Tender (SI No 3 of TQ-01)	20.1 If a Tender for Plant and Services is invited on 'lot-by-lot' basis, each lot shall constitute a tender. A Tenderer shall submit only one (1) Tender for each lot, either individually or as a JVCA. The Tenderer who submits or participates in more than one (1) Tender for each lot will cause all the Tenders with that Tenderer's participation to be rejected.	Our understanding is, in this SCADA Tender, " Any SCADA OEM can only participate with one EPC Contractor (Bidder) ". Please confirm whether our understating is correct.	Bidder to ignore the NESCO's Response to bidders query provided on SI No 3, 159 & 183 on TQ-01 (Document No.: 27.29.0000.107.07.001.23-45, Issue Date: 05/03/2023. Updated Response is "One EPC can propose maximum three (two as alternatives) OEM for SCADA Software & Telecom Equipment only in their Bid. Same OEM can be offered by multiple/different EPC's in their proposals. Further One EPC/bidder shall not submit multiple offer with different price and can submit only one offer for the complete system."
	Volume 1 of 2 50 of 233 (SI No 159 of TQ-01)	Alternatives shall not be permitted.	Please clarify the meaning of this clause	
	VOLUME 1 Section 2.0 – Tender Data Sheet ITT 25.1 (SI No 183 of TQ-01)	:Alternatives shall not be permitted.	We understand tenderer are allowed to propose multiple vendors/ manufacturers against major equipment's, Please confirm.
